

Guidelines for October 21, 22, 23, 2021 Meet Notice

Dear York Attendee:

I'm happy to announce the Eastern Division is on track to host the October 21, 22, 23, 2021 York Train Show. As a result of the Covid-19 requirements, there are some adjustments we are making to be in **compliance with the standard protocols for 6' social distancing**. If you have any Covid concerns, please wear a face mask. Below are the changes we have put in place to ensure the safety of our members, family and guests. Please review these changes carefully and remember we are **required** to implement these protocols in order to move forward with the October Show.

Changes to the halls:

- Multiple rows of tables have been removed in each hall resulting in a reduced number of tables available for sale.
- Tables are no longer back-to-back. Table holders will **now** be standing and/or sitting behind their tables in the 3' distance between the rows. Visit our website at <https://www.easterntca.com/hallcharts.html> to view the current hall layouts.
- Aisles remain 6' apart and will be for member foot traffic, wheelchairs and scooters.

Effects of the changes:

- With the loss of multiple rows of tables in each hall, table holders may not be assigned the same hall or table location
- Members who registered for April 2020 and did not receive a refund, will have a table(s)
- Previous table locations are not guaranteed due the 6' social distancing requirements as a result of the Covid-19 Standard Protocols

Therefore, you are encouraged to register early.

- When the online registration opens in early June, if you haven't already registered for your table(s), since **tables are being sold on a 1st come, 1st served basis**, *register early* because there may not be a table(s) available
- Table holders who received a refund of their April 2020 Show registration and table fees, are encouraged to *register early*. If you are interested in securing tables at the October 2021 York Meet, please *register early* as any **available table(s) are being sold on a 1st come, 1st serve basis**. If you don't *register early*, we may not have a table available for you.

Covid-19 Protocols for the October 2021 York Train Show

1. Covid restrictions dictated and imposed by the State of Pennsylvania require social distancing in all halls. Due to these restrictions, we were required to increase the space between the rows of tables, thereby reducing the number of tables available in each hall.
2. Registrations from the October 2019 Show that did not request and receive a refund will be processed first and registrations received for the October 2021 show will be processed as they are received.

York Fairgrounds Health and Safety Protocols in Place

1. Sanitizing filtration system that scrubs the air
2. Hand sanitizing stations throughout the Fairgrounds
3. Sanitizing of restrooms
